If you're a Backer - yes! Not sure if you are? This article may help: [What is a Backer?](#)

Backers, make sure you request to join our Google group, [Novvia Backers](#). Here is where we will make announcements regarding new app releases (and new app builds!). You'll be able to help us do alpha/beta testing for future versions of Signal Spy. Once we approve you to join the Group, then make sure to opt in with the Play Store [here](#).
