## Data Usage

Elyse - 2019-09-12 - Comments (0) - App Overview

Project Fi provides you updates on how much data you're using, but you can only see it cumulatively over your current billing statement, not per day or per app. Signal Spy does!

## Data Usage

1.12MB used on 5/4/17

### Google Play services

606 KB

T-Mobile 606 KB

### Carrier Services

163 KB

T-Mobile 163 KB
