The pro level is an in app purchase. With this purchase, Pro...

- Removes ads
- Provides more detailed history
- Allows for switching without copy and pasting codes (with Accessibility enabled)
- More powerful data consumption tools
    - Data limiter, which stops data usage at a daily limit
    - Data usage breakdown per app per day, or customized range
- Dark theme

We are constantly adding features to the Pro level of the app. We will update this list as more become available! We thank you for supporting Signal Spy with your generosity!
